

# DO YOU SUFFER FROM PRURIGO NODULARIS?

Nodular prurigo is a skin condition characterised by very itchy firm lumps. The cause is unknown. Nodular prurigo is very difficult to treat effectively.

Professor Dedee Murrell and her team at Premier Specialists are conducting a study for a possible new treatment for prurigo nodularis and you may be eligible and benefit from this new treatment.

We are looking for people aged between 18 and 80 years who have nodular prurigo.

**ALL STUDY-RELATED CARE WILL BE PROVIDED AT NO COST**
